NAICS code is 611692

#### Connecticut Driving School Statistics

Industry Code	Industry Code Description	Employees	Total Firms	Avg Employees
611692	Driving Schools	403	45	9

The regulation change requires all driving schools to obtain fingerprint searches for all driving instructors. At \$50.00 per instructor and an average of 9 instructors per school, the impact on small business would be \$450.00. As this amount would not necessarily be incurred simultaneously the cost should be minimal.
